Holochain is **not** a blockchain

Holochain is **not** a platform

Holochain is a pattern

A free, open source, framework
for building rich, **peer-to-peer** applications

No ~~servers~~

No ~~miners~~ or ~~stakers~~

No ~~tokens~~ or ~~gas fees~~

Truly peer-to-peer applications

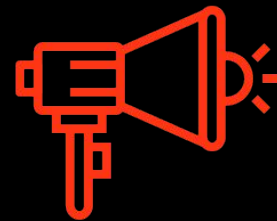

Holochain applications run on the
devices of the participants themselves

Surveillance Capitalism

You are not the customer.
You are the product.

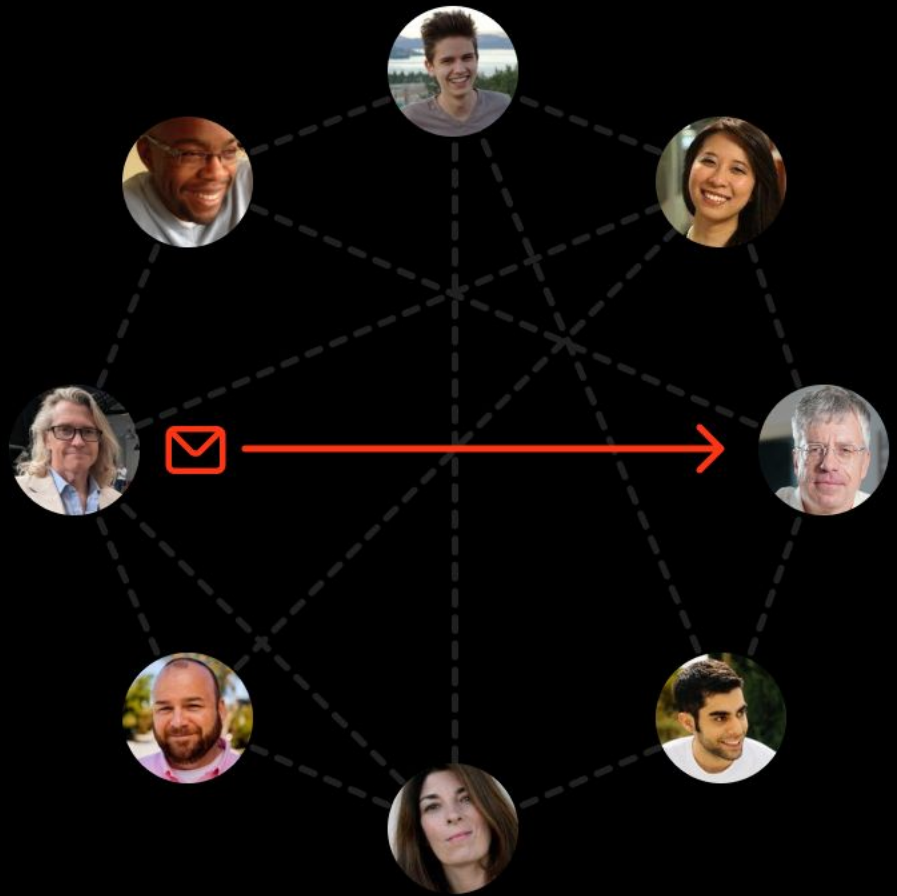

We are working to enable
people centered applications
