Protect your email privacy with StartMail

Why email privacy matters

Why email privacy matters

Facts and figures

- Our personal and professional lives are becoming increasingly dependent on the internet, which increases the risk of privacy violations.
- Regular emails can be intercepted, read, or even altered by third parties and breaches of email privacy can lead to identity theft, and financial loss.
- A shocking 91% of cyber attacks start with a phishing email.
- Privacy is not just about protecting personal information, but about protecting fundamental rights.

- ✓ No ads, no tracking
 - ✓ Secure encryption methods
 - ✓ Unlimited email aliases
- ...and much more!

About StartMail

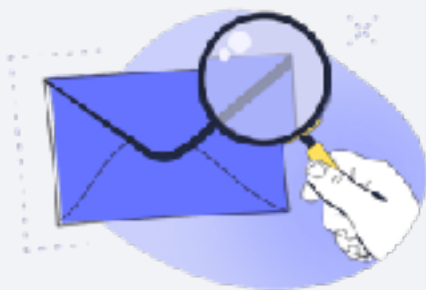

Our story

- Our mission started with the creation of Startpage, the world's most private search engine, in 2006.
- We then expanded our service to email privacy: StartMail was officially launched in 2013 and is now used by tens of thousands of privacy-conscious people across the globe.
- European privacy at its best: StartMail is headquartered in the Netherlands.

The benefits of secure email communication

Key features of StartMail

No ads, no tracking

Unlike Big Tech email providers, we don't make money off tracking your email activity, profiling you or serving intrusive ads.

Unlimited email aliases

With StartMail you can generate unlimited disposable email addresses, keeping your identity safe and your main email free of spam.

Encrypted emails

Send encrypted emails to anyone, even if the recipient doesn't use encryption. This ensures that other people can't read your confidential messages, ever.

Other top features

Keep your email private and secure with StartMail's advanced privacy features

20 GB storage!

With StartMail, you'll never have to worry about running out of space.

Access on any device

Use StartMail with your favorite email client like AppleMail, Outlook or Thunderbird on desktop and mobile, or try our fast and intuitive webmail.

Use your own domain

Send and receive secure email from your own email domain. For example, *yourname@example.com*.

Group subscriptions

Discounted rates for additional email accounts, making it easy and affordable to invite your loved ones or colleagues to join StartMail.

Fast and friendly customer support

If you need help, our support team is available 24/7 to answer your questions. Further tips and information is available in our extensive support center.

Malicious link protection

Built-in malicious link protection. We'll warn you if you click on an external link and show you the full web address, so you can decide whether to proceed or not.

Making the switch

Easy migration without technical expertise

- Transfer your entire mailbox, including messages and contacts, in real time and 100% secure.
- User-friendly migration toolkit guides you through the process step-by-step to ensure a seamless transition.
- Our support team is always available to answer your questions and provide guidance as you transition to a secure email solution!

Testimonials

Hear from satisfied StartMail customers

The highest ethical standards

"I am sooo excited to be signed up for your email services — and equally happy and relieved to cancel all my Gmail email accounts. Thank you all once again for creating and maintaining the highest ethical standards at StartMail."
